

The Fertility Center Surgical Scheduling

What You Need to Know:

If you are advised by your physician that you will need a surgical procedure, you can expect to hear from a scheduler within **7 to 10 days**.

Surgeries typically book out one month in advance and the timing of the procedure is highly dependent on your

menstrual cycle. If medically necessary to have your surgery scheduled sooner than the one month timeline, a physician will notify the surgery scheduler and accommodations will be made.

If you do not hear from us within the timeline specified above, please contact us:

Surgery Location:

Surgical procedures are performed at the Lake Drive Surgery Center, located at **4069 Lake Drive SE, Suite 210, Grand Rapids, MI 49546**. Occasionally, a surgical procedure will be completed at an alternate facility. If this were to occur, you will be given specific instructions regarding the alternate location.

Please note that our physicians do not operate outside of the Grand Rapids area. If you would prefer to have your procedure at a location closer to home, we would be happy to coordinate with your OB/GYN.

Physician Surgery Days:

Drs. Shavell & Thakur: Rotating Tuesday Afternoons

Drs. Dodds & Young: Rotating Wednesday Afternoons
