CONSENT FOR TREATMENT

Knowing that I require diagnostic testing, medical treatment or hospitalization, I voluntarily consent to the medical treatment deemed necessary in the judgment of my treating physicians. I am aware that the practice of medicine and surgery is not an exact science, and I acknowledge that no guarantees have been made to me regarding the results of examination, tests, or treatments. I understand that if major diagnostic studies or treatment procedures such as surgery are required, I will be asked to give specific consent to those procedures. If I am an obstetrical patient, I understand that my signature consents to the care and treatment of my fetus.

MY MEDICAL INFORMATION

I understand that The Fertility Center will keep my medical information according to state law, federal law, and policy. I also understand that my information will be stored electronically and may be sent to or received from other healthcare providers and/or payers electronically. This includes treatments and medicine or prescription information about me, including drug or alcohol use. In some cases, The Fertility Center is required by law to report information to an agency like the health department. This may prevent other diseases. I understand I can ask additional questions before signing this consent.

I have read the above information or have had it explained to me, and indicate my understanding of same, by signing this document.
